

Simpson College
Yearly Department/Program Assessment Report

Date _____

Name of Department/Program

Name of Person Submitting this Report

The goal of assessment is to improve student learning. Another benefit of this annual review is to facilitate the regular collection of information for the regular departmental review and the later college-wide accreditation process. Please answer the following questions as they apply to your department/program for this academic year.

Your response should take the form of a narrative report.

Please submit your report electronically to Becky Beaman at becky.beaman@simpson.edu by July 1.

1. What did the department/program do to implement your assessment plan this year? Did you do any other form of program assessment?
For example: alumni surveys, student portfolio reviews, senior capstone projects, standardized graduate exams, etc.
2. From the information that you gathered, what did you learn about student learning?
3. What changes to your program have you made or will you make as a result?
4. What changes to your assessment plan have you made or will you make as a result?
Please attach a copy of your current assessment plan.
5. Any additional pertinent data or information.
