PROPOSED CHANGE of REL 331

EXISTING COURSE

331. Theology and Social Theory.

An advanced seminar treating significant movements in political theology, selected from classical and contemporary sources. Theological examination of nationality, ethnicity, race, and other social distinctions will be examined in conjunction with particular political contexts, leading to a significant exercise in student research. *Cornerstone 4A*. Three hours.

PROPOSED CHANGE

331. Theology and Social Theory.

An advanced seminar treating significant movements in political theology, selected from classical and contemporary sources. Theological examination of nationality, ethnicity, race, and other social distinctions will be examined in conjunction with particular political contexts, leading to a significant exercise in student research. Prerequisite: REL 102 or permission of instructor. *Cornerstone 4A*. Three hours.

RELATIONSHIP TO MAJOR, OTHER DISCIPLINES, AND FREQUENCY OF OFFERING

Religion elective.
Offered approximately once every two years.

PROPOSED CONFIGURATION

TTh

RATIONALE FOR CHANGE

This course is an advanced seminar, which requires students to have significant background in theology.
