APPLICATION PROCEDURES

Simpson College accepts applications and grants acceptance to qualified students on a rolling basis, beginning in the early fall and continuing on a space-available basis. All information submitted for admission consideration becomes the property of Simpson College.

Admission to Simpson College is based upon the college's assessment of the applicant's potential for success in a rigorous liberal arts curriculum. Applications are acted upon by an admissions committee, elected by the faculty, representing the five academic divisions of the college. These faculty members consider the college preparatory courses taken, the grades received in those courses, standardized test scores (ACT and/or SAT) including the test subscores and recommendations.

After the application, transcripts, test scores and recommendations are evaluated, you will be notified of the admission decision.

Accepted candidates are required to pay an enrollment deposit of \$200. If you are an applicant for financial assistance, you need not submit the deposit until you have been notified of your award. The deposit is nonrefundable after May 1 of the year in which you plan to enroll as indicated on your application.

All communication concerning admission and financial assistance should be directed to:
