\$500.00 Wesley Service Scholarship Application

The Wesley Service Scholars (WSS) Program supports students who choose to engage in community service as a way to explore the meaning of vocation in their lives. The WSS program honors John Wesley's commitment to the links between spirituality and service. In his words, "true faith cannot be hid but will break out and show itself by good works."

The Wesley Service Scholars Program targets students who are engaged in existing community service experience through the office of the Religious Life Community, Residence Life, Greek Life and/or other related service programs. The program also targets students who want to become engaged in community service experiences. Any student who is interested in community service and is in good standing with the college is eligible to apply.

Each Wesley Service Scholar will receive a scholarship of \$500 for the academic year (\$250 per semester).

Wesley Service Scholar Requirements
