

2009-2010

Part-time Loan Request Form

Please note: we are required, by federal regulation, to award your entire Federal Stafford Student Loan eligibility in your notice of financial assistance.

However, we **STRONGLY** discourage you from taking this entire amount. If you choose to borrow your entire eligibility, you are likely to use your entire eligibility before you complete your degree.

Therefore, please use the enclosed worksheet to determine your borrowing needs. You must now complete the bottom portion of this form and return to the Office of Financial Assistance before we can process your federal Stafford Loan.
