Student must read and then initial acknowledging their understanding of the following terms and conditions:

### Financial Aid Office

If a student receives a financial assistance award based on the student being a resident on campus and then he or she decides to move off campus, Simpson funded aid will be reduced by 50% of the amount of the annual standard college room and standard board charges. The student may apply for loan funds to replace lost dollars.

**Initial** \_\_\_\_\_

### Business Office

Room and board charges are refunded on a pro-rata basis. No room or board refunds are issued after the 60 percent point in the term. No refunds will be issued for unused Flex points at any time.

**Initial** \_\_\_\_\_

### Student Development

All full-time unmarried students who do not live at home or with immediate relatives are required to live in college residential facilities or fraternity or sorority houses. Exceptions to these rules are made for seniors, students over the age of 23, veterans, married students, and students with dependent children living with them. Permission to live off-campus for these or other reasons must be obtained **prior** to moving off-campus via the Petition process. Please be aware that financial aid will be adjusted for off-campus students. All decisions about granting petitions rest with the Vice President of Student Development.

**Initial** \_\_\_\_\_

I understand if my request is approved the amount of financial aid I receive from the college will be reduced.
