Room Selection Application, 2008-2009

This application doesn't guarantee that your group will receive its choice of rooms/buildings. Applications are ranked based on the average of each group's lottery numbers. It is important to indicate and rank the areas your group is applying for in case your application does not make a particular cutoff. That way, second and third preferences can be taken into consideration when ranking applications.

Preferences (please rank):
 Due Monday, February 25: _____ 2/3-person apartment _____ 3-person Picken
 Due Monday, March 4 _____ 4-person apartment _____ 4-person Buxton _____ 2-person Picken _____ 2-person Worth

If you are applying for a 3-person apartment or room and do not receive one, you will need to fill out another application for a 4-person apartment/room. If you are applying for a 2-person apartment and do not receive one, your application will be ranked as is with the Picken/Worth rankings unless another (4-person) application is filled out.

Please note: 8-person applications for Buxton suites are given priority over all 4-person Buxton applications. Please associate this application with: _____

Participation in Room Selection is only for students registered full-time. Participation can be denied for those not registered full-time for the upcoming semester, having outstanding accounts at the Business Office, having an incomplete, invalid or fraudulent application, having successfully petitioned, or having already been housed in a Theme House, Greek House, or Picken Floor Draw. Applications must be complete when turned in (ex. If applying for a 4-person apartment there must be 4 names on the application.) **Incomplete, invalid, or fraudulent applications will not be accepted.** Each person may only be on one application. Signatures are required in all cases except for students currently studying abroad. Signatures represent intent to live on campus and constitute a housing agreement for the following year. Fraudulent applications include signing up for a space knowing that someone on your application intends to live off-campus or withdraw. Students going abroad Fall Semester cannot be on any application. Students currently on disciplinary probation are not eligible to apply for apartments. Students not registered full-time for Fall at the end of Spring Semester may have their assigned housing assignment revoked. Only students in apartments and Theme Houses can choose the 6-flex meal plan. Unless a different meal plan is chosen above, the default meal plan for apartments and Theme Houses is 6-flex and for residence halls, 12-flex.
