Outcomes

The Simpson College Office of Career Development collects the first-destination information of students within six months of graduation. The report for the class of 2023 includes students who graduated between July 1, 2022 and June 30, 2023. Simpson College Career Development surveys students prior to graduation, and if an outcome is not yet established, follows up by phone and email. The team also secures information from campus community members, social media sites and company directories in an effort to gain the highest possible knowledge rate.
